Twisted Comfort Food!

Our Story (And we're sticking to it!)

It all started when Chef Lorraine was in the 5th grade (no, they didn't call her Chef Lorraine then!) when she made Mac n' Cheese with her Girl Scout Troop. Well, the story goes that everyone loved her macaroni and cheese (That's what they called it back then) and Lorraine's parents would ask her to make it for the whole family!

Well, over the years she has experimented hundreds of times with different ingredients, procedures and recipes to get just the right "Ooey Goey" texture for her cheese sauce and the exact Cheddar cheese flavor and "mouth feel" (That's just a fancy term chefs like to use these days) to go with the fine Durham wheat semolina pasta (OK, you can call them noodles) that she uses at her Fabulous Mac n' Cheez! Kitchens! No, this is "Not your Mama's Mac n' Cheese!" ...Unless your Mother has a real passion for Macaroni and Cheese, has worked for 30 years refining her Mac n' Cheese recipe, is using Local Cheeses and can make you a "Made-Fresh-to-Order" Mac n' Cheez! In less than five minutes, like Chef Lorraine can. And, yes we are talking about "Sweet Lorraine" herself with full-service restaurants in Southfield and Livonia, Michigan!

Chef Lorraine opened her first "Sweet Lorraine's Fabulous Mac n' Cheez!" in Auburn Hills, Michigan in 2010. It was an instant hit! Her second "Mac n' Cheez!" location was opened in Troy, Michigan in 2012. Next came locations in Downtown Detroit and East Lansing, Michigan in 2014.

We will have lot's of new locations opening soon across the midwest and other parts of the country to satisfy the growing demand for our Fabulous Mac n' Cheez!... We're really hoping that you'll enjoy the freshly made Soups, Salads, Sandwich Wraps, Twisted Grilled Cheez Sandwiches and OVER 14 kinds of "Mac n' Cheez!" just as much as they do at all the other Sweet Lorraine's locations!
